

AGCS Adopt a Staff Member Program

Unite for the 2019/2020 School Year!

The AGCS PBIS Teacher Reward Program & the Adopt a Staff Program need your help!

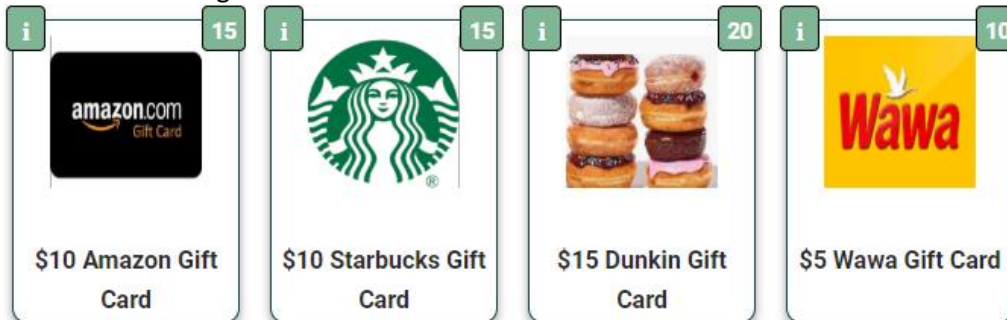

Here are ways to help support the PBIS Teacher Reward Program:

- **Direct donations** – Cash/Check made out to AGCS
(Please note PBIS Teacher Rewards in the memo line)

Direct donations will purchase school merchandise & school supplies:

- **Donate gift cards** for the following merchants.

As AGCS implemented the Student PBIS program, we learned there was a similar teacher reward program available. What started as a teaching tool to train the staff has turned into a great way for staff to recognize & support each other for demonstrating P.A.C.K qualities. The very same qualities that AGCS is encouraging students to demonstrate.

The teacher rewards program has taken on quite a life of its own. Instead of just awarding points, staff must comment why a colleague earned the point. One recognition to note is, **“Your positivity encourages my positivity”** Much more than tangible rewards, is the sharing of ideas, activities, a space to seek help from one another, to express appreciation. Recently, a teacher used all of her points to purchase something from the store for a team member. This is so much more than a store for our staff.

Currently, the school sweatshirt is the most coveted item and is a wonderful marketing opportunity for our school and community.

Thank you for your consideration. Thank you in advance for contributing and supporting the PBIS Teacher Rewards Program.
