Eligibility Requirements

Participation in the Avon Grove Charter School athletic program is a privilege for students who meet all eligibility requirements, are selected after a try-out period, and who represent their school responsibly. Playing time is not guaranteed and will be determined at the discretion of the coach. In this handbook, student-athletes and their parents will find information related to the Avon Grove Charter School athletic program. Please read it carefully.

Eligibility Requirements: Although AGCS is not a member of the Pennsylvania Interscholastic Athletic Association (PIAA), which has established certain eligibility requirements, AGCS will align with the rules and regulations of the PIAA as we move towards membership. Failure to comply with PIAA rules will result in loss of eligibility to represent Avon Grove Charter School in interscholastic athletics.

Additional eligibility requirements are set by the Avon Grove Charter School and must be met by all Avon Grove Charter School student-athletes.

These requirements are summarized in this Handbook for student-athletes and their parents. Additional requirements are noted in PIAA publications. Questions regarding PIAA or Avon Grove Charter School regulations should be referred to the Director of Athletics.

Age Requirements: High school age students, are eligible to participate in interscholastic sports. If a student turns nineteen (19) on or after July 1, the student shall not be eligible, age wise, to compete through the following school year.

Academic Requirements: A student-athlete must meet the following academic requirements:

A student-athlete must pursue a curriculum defined and approved by the principal as a full-time curriculum.

Every student-athlete is required to do satisfactory school work.

The following regulations govern academic eligibility:

Grade averages are based on the student's cumulative average to date during the marking period.

During the season, coaches are notified on a weekly basis by the Director of Athletics and Principals about the academic status of their student-athletes.

- If a student-athlete is FAILING a course(s) during the athletic season, he/she will meet with the coach or Athletic Director/Principal to discuss his/her academic situation, but may continue to practice and play that week.
- If the student is FAILING two or more courses, then the student will be immediately ineligible in games and practices for the following week (Sunday through Saturday).
- If a student athlete is FAILING a course for a second week during this/her respective season, they will be suspended from games/meets for the following week (Sunday through Saturday). The student athlete may continue to practice that week. The purpose of the weekly Ineligible PROBATIONARY period is to give students time to improve their grades. A student remains on Ineligible PROBATION for the entire week.
- If a student athlete is FAILING a course for a third week during his/ her respective season, he/she will be eliminated from participation in practice and games/performance for the following week (Sunday through Saturday). The purpose of the weekly Ineligible PROBATIONARY period is to

give students an opportunity to improve their grades. A student remains on Ineligible PROBATION for the entire week. Students experiencing academic difficulty are encouraged to seek help by contacting their teachers and guidance counselors. Students are allowed THREE chances during the season to improve their grades.

- A fourth weekly ineligible infraction, whereas a student-athlete is FAILING ANY COURSE(S), will result in the student-athlete being removed from the team for the remainder of the season.
- Any student-athlete failing a course(s) for a marking period is ineligible for ten (10) school days starting the first official date of the next sport season. Students failing a subject(s) at the end of a school year will be ineligible for twenty (20) school days. In that case, the ineligibility starts the first official date of Fall Sports. Students passing summer school courses may become eligible at the start of the new school year.

Attendance Requirements: A student-athlete must be regularly enrolled as a full-time student at Avon Grove Charter School.

If a student-athlete is absent from school for a total of twenty (20) or more days during a semester, a student-athlete will lose eligibility until he/she has been in attendance for a total of forty-five (45) school days following the student-athletes twentieth (20) day of absence.

Students must be in attendance for at least 1/2 the school day (by 11:00 AM) to practice or compete on that day. Exceptions must be pre-approved in writing by the Director of Athletics or Principal. This

attendance requirement is in effect for all regular school days, including the days when quarterly exams are scheduled.

Students who are excused from PE class or choose not to participate in PE class on a given day are ineligible for athletic participation (competition or practice) for that day.

Communication

The coaches and administration of the Avon Grove Charter School welcome communication with student-athletes and their parents/guardians regarding athletic issues. Coaches and the Director of Athletics can be reached through email throughout the day and the phone lines after classes end. Refer to the written team rules given out at the beginning of each season for this information.

Contact Coaches to discuss any issue regarding an individual student athlete, including skills development and performance, team policies and regulations, and excuses for missed practices or contests. Contact the Director of Athletics to discuss any health or safety concerns, the overall athletic program, transportation and attendance exemptions, academic or eligibility matters, or any concern that is not resolved through a parent-coach conference.

Transportation

Riding together as a team to and from an athletic contest is part of the athletic experience. The following regulations govern athletic transportation:

All members of an athletic squad must ride to and from scrimmages and contests on school-provided transportation.

Exceptions to the above policy, which will make it possible for a student-athlete to compete and still meet other school or family commitments, may be granted at the discretion of the head coach and should be pre-arranged. School or family commitments are the only grounds for exception.

To be granted exception, the student-athlete must present a written request in advance from a parent or guardian setting forth the reason(s) for the exception. The request from a parent/guardian must include the method of transportation to be used, a statement of the responsibility for the student-athlete's safety, the date(s), and the event(s) for which the exception is requested. Written requests for exemption from student athletic transportation must be signed by a parent/guardian and must be hand delivered to the head coach. It will be the responsibility of the coach to bring the transportation notes to the main office.

There are (4) alternate methods of transportation acceptable to the school:

- Transportation provided by the parent or guardian.
- Licensed student-athletes driving their own cars.
- Student-athletes permitted by their parent/guardians to ride with another licensed student-athlete who also has parent /guardian approval.
- Student-athletes permitted by parent/guardian to ride with a coach must submit a written request to the main office to be pre-approved by the Director of Athletics or Principal.

Injuries

Every effort is made to insure that injuries do not occur. Students are required to follow their coaches' procedures for conditioning, warm-up, stretching, cool-downs and to exercise caution when using athletic equipment.

Students must report all injuries to the coach immediately so that proper treatment may be given. Do not leave a practice or contest without notifying the coach.

There is NO athletic trainer on staff at the Avon Grove Charter School.
